

The rental market in Spain has changed in recent times and property owners and agents who are moving with the times are best placed to survive and grow. We have recently revised our pricing policy to reflect changes in the market, moving away from the “one price fits all”, still used by many agencies. We believe our low start-up costs, clear charges and flexible payment plans will enable us to *meet your individual needs without compromising on quality or level of service*

RENTAL FEES AND COMMISSIONS

LONG TERM RENTAL	On Rental	On Departure
English & Spanish contract	35€	
Inventory	25€	35€
Monthly commission	12%	
Monitoring utility bills*	15€ per month	
Lock change*		from 35€

* Optional

Where Premier Rentals does not manage the rental a one-off fee will be charged equivalent to 2 weeks rental up to 6 month let, and one months rental over 6 month let. Holiday commission is charged at 50€ per week

NB. We do not recommend utility bills be changed into the tenants´ name. However should you require this we charge 40€ per utility for each change.
